**PRODUCT SPEC SHEET**

Forno Espresso / FFFFD1786-31BLK  
17 CF Bottom Mount Refrigerator, Icemaker, Left Swing

FORNO Espresso Milano 31" Bottom Freezer Refrigerator with ice maker that seamlessly blends style and functionality. Its compact 31" size and 17.2 cu ft capacity offer ample storage without compromising aesthetics. Two full-width freezer drawers optimize organization, while digital touch control ensures precise temperature settings and real-time monitoring. The finish door maintains a modern look effortlessly. Swift temperature adjustment with Super Cool and Super Freeze safeguards your groceries quality. ENERGY STAR Certified for efficiency, and high-efficiency LED lighting reduces food spoilage. Antique brass handles add an elegant touch, and adjustable features, including shelves, door bins, and a full-width crisper drawer, enhance user-friendliness. Upgrade your kitchen with style, convenience, and freshness!
