## FEATURES & BENEFITS

- Top Access Drawer with Mirror Finish Door:** Saves countertop space by utilizing a convenient top access drawer design with a stylish mirror finish door and touch control, while remaining handleless for a modern look.
- Multiple Microwave Cooking Modes:** Enjoy versatile cooking options with 8 modes including Sensor Cook, Sensor Reheat, Melt, Popcorn, Defrost Weight, Defrost Time, Soften, and Beverage, along with essential functions like setup for sound control and clock/kitchen timer.
- 10 Power Levels with Express Cooking:** Tailor your cooking experience with 10 power levels, and experience quick and easy cooking with express mode – simply press start for a 30-second cooking cycle.
- Auto Touch Open/Close Control:** Effortlessly manage the microwave drawer with the touch of a button, and for added convenience, the auto touch open/close control lets you open and close the drawer with a simple tap, allowing for hands-free operation when your hands are occupied.
- Pro-Style Handle Design with Touch LCD Display:** Elevate your kitchen's aesthetic with a professional touch by incorporating the Pro-Style handle design, coupled with the convenience of a touch LCD display, providing a sleek and modern appearance while offering intuitive control over your microwave settings.
